

About Learning Theory

Group directions: Within your group, each individual should choose a different one of the ten learning theories to explore. Use this recording sheet to collect data about your theory. You are responsible for teaching your group members about your learning theory. You will use your data collection sheet as your “notes” for re-teaching important points.

Name of Theory: _____

Basic Philosophy: _____

Compelling Ideas or Principals: _____

Application of the ideas and principles of this learning theory would impact the following areas in your school. In what areas would your school have to adapt to implement the principles of this learning theory?

Curriculum: _____

Instruction: _____

Assessment: _____

Technology: _____

Reflection

Give One/Get One

Write down 5 things you learned today, then circulate with the other InTech participants. For everyone you meet, give them one thing you learned to add to their list, and get one thing they learned to add to yours.

Today I learned... (Give One)

1. _____
2. _____
3. _____
4. _____
5. _____

Today my classmates learned... (Get One)

6. _____
7. _____
8. _____
9. _____
10. _____
11. _____
12. _____
13. _____
14. _____
15. _____
